2020 Manufacturers' Licences

Dear Sir or Madam,

Please find enclosed the various order forms for the 2020 Blue, Green and Red Manufacturers' licences. The Manufacturer's licence is compulsory in order to participate in the FIM Manufacturers' World Championship title and to appear in the official results list.

Please note the remarks at the bottom of each order form which describes the rules applicable to the payment and invoicing of the licences.

Please also join to your licence order a high quality logo (.eps, .pdf or vector format).

For national events, the National Federations (FMNs) may offer, for an extra fee, additional services to their Manufacturer's licence holders. However, the FMNs shall also offer the Manufacturers the possibility of buying only the FIM licence, without the additional services, according to the prices and conditions established by the FIM.

We remain at your disposal for any additional information that you may require.

With best regards,

Jean-Paul GOMBEAUD
FIM SPORTS DIRECTOR
