## **Additional Information from the Organiser**

Paddock A will be organised on a hard standing, partially asphalted and drained surface. The paddock office is situated near the main entrance of the Lommel Motocross Track, in a specific unit.

Parking B will be organised on grasslands near paddock A. A specific route, solely for people who park on Parking B is provided, please follow the parking B signalisation.

No campers are allowed on Parking B, they need to be placed either in Paddock A / Living Area, with the appropriate car passes, or need to be placed at the public camping site.

After a vehicle has been parked, the car passes have to remain displayed in the vehicle. If not, GPLimburg vzw holds the right to tow the vehicle at cost for the offender of this rule.

One of the main aspects of “MXGP Limburg” is the aspect environmentally friendly motocross or “Neighbour Friendly” Motocross. MXGPLimburg is working closely with the governing bodies to keep Motocross facilities and events alive. Therefore, please help us carry out a positive image for Motocross towards all people in and around the Motocross venue.

Motorsports and their fuels always carry a certain fire risk. Please, for your own safety and others, make sure you have **valid fire extinguishers** close and easily accessible. Teams that have no fire extinguisher can purchase one through the organiser on site, before 1PM on Friday August 2<sup>nd</sup>, 2019. The presence of a fire extinguisher **will be checked by the fire department** before or during the event with several teams or participants.

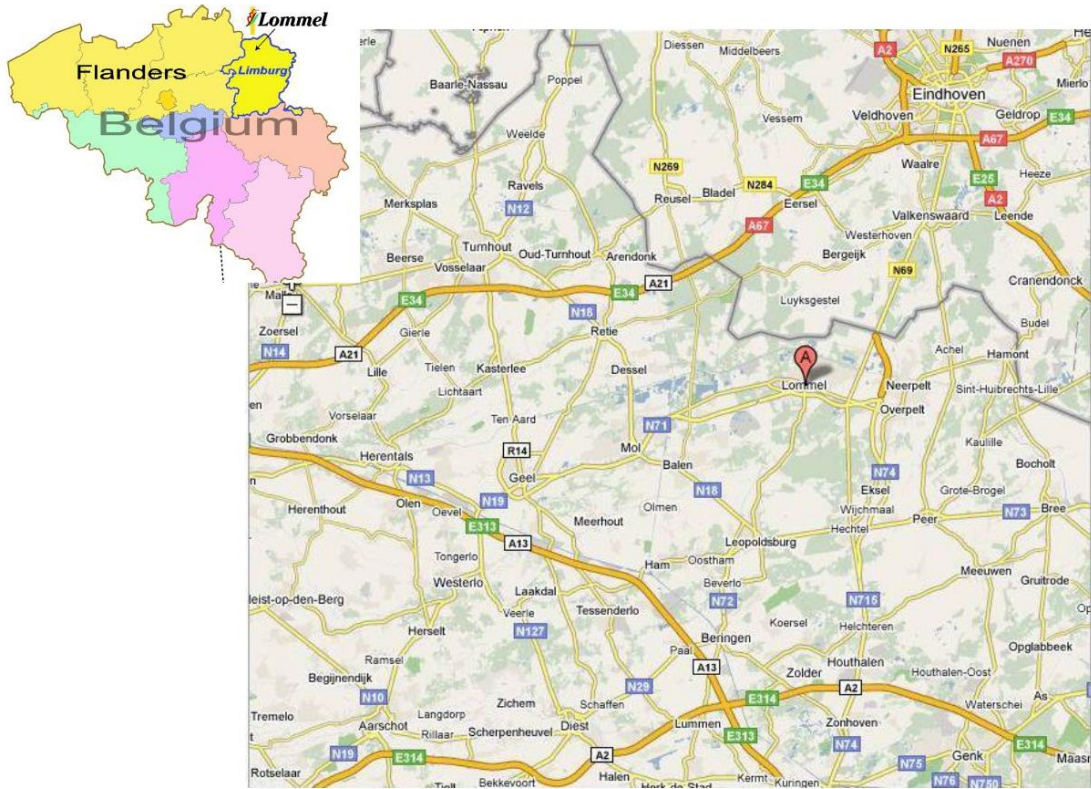

Due to misconduct of pitbikes, we are forced to control this strictly from now on. Only pit bikes with a valid sticker of the championship will be allowed to move from A to B. At no point it will be allowed to play or ride for fun in the paddock, around the track or in the public zones.

The organization would like to thank all teams for their attention, and wishes them all the best at the 3-GP Week in Lommel.

## **ACTION TO BE TAKEN BY RIDERS / PARTICIPANTS**

- a) Each rider is responsible for the waste generated by his team during the event.
- b) Where organisers provide the necessary containers for waste they must be used as directed.
- c) Waste must be retained by the team until the approved facilities provided by organisers can be used.
- d) Where refuelling or servicing of a motorcycle is being undertaken at events, riders/participants must provide and use an environmental mat to protect the ground. **This environmental mat must also be compulsory when an electrical generator or any other device with a thermic engine is used by the rider or the team.** These mats must be removed by the riders/competitors after use.
- e) Any infringement by the participant or rider (who is responsible for his team) of the FIM Environmental Code can result in a fine, disqualification from the event or suspension, and may also result in the participant or rider being liable for any costs of rectification.
