078.1 GENERAL

078.1.1 Titles

The FIM recognises the FIM Speedway World Cup as a **FIM World Championship for national Teams**, hereafter referred to as “SWC”. The SWC meetings are the sole prerogative of the FIM and shall be organised in accordance with all FIM requirements.

The rules of the FIM Sporting Code and Appendices 070 and 079 apply, except where otherwise stated in this Regulation.

078.1.2 Description

Competitions for national teams. 4 teams from different nations (FMNs) will compete in each meeting. The riders from each team must be of the same nationality as the FMN that has nominated them.

The SWC Final Tournament will be staged over 7 days in one or more countries, having a total of 4 meetings. The Final Tournament will be composed as follows :

- Day 1 – Event 1
- Day 2 – Rest day
- Day 3 – Event 2
- Day 4 – Rest day
- Day 5 – Race-Off Event
- Day 6 – Rest day
- Day 7 – Final Event (include the Closing Ceremony)

078.1.3 National teams

National teams (e.g. Danish team, British team) are nominated exclusively by their respective FMN. Members of a national team must be holders of a passport of the country, which they represent.

078.1.4 Dates of the meeting

The SWC meetings can be held during daylight or during the evening under floodlights.

The FIM Speedway World Cup calendar will be established pursuant to Art. 20.1.2 of the FIM Sporting Code. Once the allocated date for the meeting is known, no other Track Racing meeting(s) can be staged at the venue five days prior to that date and until two days after.

To provide for postponements that may be necessary, for example because of weather conditions, the FMNR or the organiser must declare one re-staging date, with the exception of the Final event, where two dates must be declared. The re-staging date or dates must always be as close as possible to the original date of the meeting. These shall be notified in the Supplementary Regulations (SR).

If the meeting is postponed again and cannot be held on the re-staging date or dates, the meeting classification shall be decided according to the ranking-list (Art. 078.8.1). Highest team ranking, placed 1st; second highest team ranking, placed 2nd and so on.

The SWC Final Tournament has precedence over any other Track Racing meeting, with the exception of the Speedway Grand Prix meetings.

078.1.4.1 Re-staging or abandonment of a meeting

If a SWC meeting is interrupted or suspended for any reason whatsoever, the following rules will apply:

1. If the meeting is interrupted before heat 15 is accomplished, and the remaining heats cannot be completed the same day, then the results are not taken into consideration and the whole meeting must be re-staged in accordance with Art. 078.1.4 - Dates of the meeting.
2. If the meeting is interrupted at any time after Heat 15 is accomplished and the remaining heats cannot be completed the same day, the results will be considered valid and the following will determine the meeting classification:

The team with the highest number of points, considering the total number of points scored up to and including the last completed heat shall be declared the winner; the team with the second highest amount of scored points shall be declared second and so on. In the case of teams tied on points, precedence shall be given to the team having the greatest number of first, second, third, fourth (or fifth where applicable) places. If ties still persist, then precedence shall be given to the better-ranked team (see Art. 078.8.1).

078.1.5 Supplementary Regulations (SR)

Supplementary Regulations, referred to hereafter as SR, must be issued by the FMNR in accordance with the FIM Sporting Code, the Track Racing Appendices and Regulations.

The SR are to be published using the FIM SWC model format and must be sent to the FIM Secretariat for approval, at least 2 months before the meeting.

After approval, and not later than 1 month before the date of the meeting, the FMNR must send copies of the approved SR to all persons concerned or connected with the meeting (Jury Members, FIM Officials, FMNs, Race Director, etc.).

078.1.6 FIM Speedway World Cup Work Manual

A FIM Speedway World Cup Work Manual will be provided for each **World Cup** organiser. This Manual is the exclusive property of the FIM and cannot be used in whole or in part for any other category of meeting. The organisers are compelled to follow all the given instructions contained in this Manual.

078.1.7 FIM Speedway World Cup Corporate Identity Manual

A FIM Speedway World Cup Corporate Identity Manual will be provided for each organiser. This Manual is the exclusive property of the FIM and cannot be used in whole or in part for any other category of meeting. The organisers are compelled to follow all the given instructions contained in this Manual.

078.2.2 Speedway World Cup Commission

The Speedway World Cup Commission (SWC Commission), established pursuant to Art. 30.4.2.1 of the FIM Sporting Code, is competent to study and approve amendments to the SWC Regulations proposed by the CCP or by other parties involved such as riders, teams, manufacturers, etc.

The SWC Commission shall consist of:

- The CCP President
- The FIM Sports Director

The decisions require a simple majority and in case of a tie, the CCP President will have a casting vote.

078.2.3 Race Director

The Race Director is responsible for the conduct and efficient running of the FIM Speedway World Cup (SWC). He is not a voting member of the International Jury, but shall be present at all International Jury meetings.

He has full executive powers and no Official, other than the Referee when on duty during practice or racing, may contradict his decisions. A resolution passed by the International Jury can also contradict his decisions.

He is responsible for carrying out regular meetings with the riders and their associations, in order to obtain a good cooperation.

He must ensure that the FIM's contractual commitments with the FIM Speedway World Cup Promoter are fulfilled and complied with.

Within the SWC Commission, he shall update the SWC Regulations as well as the SWC Work Manual.

078.2.4 Club staff uniform

It is compulsory for the Club staff to be dressed with the Club's uniform. If the organiser does not have a special Club uniform, then the Club's staff must wear overalls of the same colour. The colour red is not allowed.

Only seeded or qualified FMNs and their nominated riders will be allowed to participate in the FIM Speedway World Cup Final Tournament of that year.

One month prior to the first meeting of the SWC Final Tournament, all seeded and qualified teams must submit the official SWC entry form, specifying a minimum of 5 riders and a maximum of 10 riders, to the FIM. This entry form must be duly completed and signed by the FMN, as it enters the FMN into all the SWC Final Tournament meetings they may qualify for that year.

The FMN is responsible for the completion of this entry form and submitting it to the CCP Secretariat of the FIM.

Riders, who have been entered by their FMN for the SWC Final Tournament and refuse or are unable to take part, shall be deemed suspended for competing internationally for a period of 1 day before to 1 day after the SWC Final Tournament concerned. Furthermore, they shall be considered ineligible for the SWC of that season.

Riders who have been nominated by their FMN to participate in the SWC Final Tournament must participate therein unless prevented from doing so by injury or illness or other "force majeure". A suitable qualified medical practitioner must certify injury or illness in writing to that effect.

In the case of a "force majeure", the International Jury of the meeting will decide on their admission.

No changes to any declared team will be permitted except in the case of injury or illness, supported by a Medical Certificate where necessary, and approved by the International Jury. Where such changes are approved by the International Jury, the replacement rider will occupy the original rider's place in the nominated team.

The International Jury will issue a list, including the Teams composition and the draw colour, as soon as possible. (See Art. 078.3.5)

078.9.2 Ties

For meetings interrupted or suspended before completion of Heat 25, Art. 078.1.4.1 will apply.

In the event of a tie after the completion of 25 heats, the following rules will apply:

After each meeting

In case of teams tied on points in a meeting classification and to determine their further progress in the SWC Tournament, the Team Manager from the teams concerned shall nominate one rider each and a run-off between those shall determine the classification. The maximum number of permitted heats (5+1) by each rider is not taken into consideration in this situation.

The order in which the teams shall choose their gate positions will be determined by ballot. The Race Director shall perform this procedure.

The Final Classification

In case of any teams tied on points in the Event Classification of the SWC Final Event and to determine their final placing in the Tournament, the Team Manager from the teams concerned shall nominate one rider each and a run-off between those shall determine the Final Classification. The maximum number of permitted heats (5+1) by each rider is not taken into consideration in this situation.

The order in which the teams shall choose their gate positions will be determined by ballot. The Race Director shall perform this procedure.

078.9.3 Tactical Substitutes

When a team is six or more points in arrears of the leading team, the Team Manager may substitute a rider in the next or succeeding heats with another rider in his team, but such riders may be used as substitutes once only.

Substitutions must stop when the team is less than six points in arrears.

078.9.4 Tactical “Joker”

Points scored by a tactical “Joker” will be doubled.

When a team is six or more points in arrears of the leading team, the Team Manager may substitute a rider in the next heat with another rider who will ride as the Tactical “Joker”.

The Team Manager may also nominate a programmed rider as the Tactical “Joker” provided his team is six points in arrears of the leading team.

Each team can use a Tactical “Joker” once only in the entire meeting.

No rider will be permitted more than one nomination, either as a Tactical substitute or as a Tactical “Joker”.

When deciding to use a Tactical substitute or the Tactical “Joker”, the Team Manager shall immediately inform the Race Director and the Clerk of the Course of the changes. This information shall, at the latest, be given before the riders are cleared to enter the track. If not, the changes will be declared invalid.

078.9.5 Replacing an injured rider

In the event of a rider being injured but not disqualified from the re-run of a heat, his place may be taken by a Tactical Substitute or Tactical “Joker” if the circumstances of Art. 078.9.3 and 078.9.4 are satisfied. Should the substitute rider be injured in the re-run heat in similar circumstances without disqualification, he may be replaced by the original rider if fit or another Tactical Substitute or Tactical “Joker”.

078.9.6 Results and SWC points

The team having collected the most points at the end of the race shall be the winner, the second highest point scoring team placed 2nd and so on.
