1. ENTRIES

Entries for the whole Cup or for one event must be made on the official entry form and sent to the CER Secretariat at the FIM headquarters (and sent to the Promoter of the Event for information). All entries must be received by 5th November 2007 (27 days before the event). All riders must have their entry endorsed by their Federation.

2. TECHNICAL CONTROL AND REGISTRATION

The administrative and technical control will take place on 2nd December 2007 between 9h30 and 11h00.

Each machine must comply with all the requirements of Art. 066.6 of the FIM Indoor Enduro rules. At the technical control, the rider must submit his valid FIM World Championship Rider's licence, together with his helmet.

3. FORMAT OF THE RACE

The format of the race will be established according to Art. 066.4.4. as following:

QUALIFYING HEATS

The Qualifying Heats will be contested by each group of riders in 2 heats. The classification of each group will be the result of the total number of points scored by each rider in the two heats, according to the following table:

1 st	1 point
2 nd	2 points
3 rd	3 points
4 th	4 points
5 th	5 points
6 th	6 points
7 th	7 points
8 th	8 points
9 th	9 points
10 th	10 points
11 th	11 points
12 th	12 points

A classification of each group will be established according to the points scored by each rider from the lowest to the highest number of points.

The three first riders of each group will be classified for the Final. The following riders up to the 11th will contest the Last Chance race.

If two or more riders finish with the same number of points the highest place in the classification shall be awarded as follows:

- 1) The holder of the greatest number of first places, if the number of first places is the same, to the holder of the greatest number of second places and so on.
- 2) If this procedure fails to produce a result, precedence will be given to the rider achieving the best result in the last race of the race of the driver concerned.

LAST CHANCE:

Two Last Chance races will be scheduled.

The winner of each Last Chance race will join the Final races.

FINAL:

The Final will be contested in three heats.

The final classification will be the result of the total number of points scored by each rider in the three heats, according to the following table:

1 st	1 point
2 nd	2 points
3 rd	3 points
4 th	4 points
5 th	5 points
6 th	6 points
7 th	7 points
8 th	8 points
9 th	9 points
10 th	10 points
11 th	11 points

The final classification will be established according to the points scored by each rider from the lowest to the highest number of points.

If two or more riders finish with the same number of points the highest place in the classification shall be awarded as follows:

- 1) The holder of the greatest number of first places, if the number of first places is the same, to the holder of the greatest number of second places and so on.
- 2) If this procedure fails to produce a result, precedence will be given to the rider achieving the best result in the last race of the race of the driver concerned.

4. RIDERS ADMITTED

The riders admitted will be established according to Art. 066.5.2.

A maximum of 36 riders will be admitted.

5. STARTING ORDER

The starting order will be established according to Art. 066.5.3.

The first rider will start at 17h15

6. RESULTS

The classification will be established according to Art. 066.8.

7. PRIZES

Trophies will be awarded to the first 3 riders on the podium. Payment of financial awards will be made according to Art. 066.11.
