National Teams (e.g. Polish Team, Swedish Team) are nominated exclusively by their respective FMN. The Riders of a national team must be holders of a passport of the country, which they represent.

1.4 Dates of the Meetings

The SoN meetings can be held either during daylight or during the evening under floodlights.

The FIM SoN calendar will be established pursuant to Art. 20.1.2 of the FIM Sporting Code. Once the allocated date for the meeting is known, no other Track Racing meeting(s) can be staged at the venue five days prior to that date and until two days after.

To provide for postponements that may be necessary, for example because of weather conditions, the FMNR or the Organiser must declare one re-staging date.

The re-staging date must always be the day after the original date of the meeting. This shall be notified in the Supplementary Regulations (SR's).

If Race Off 1 or 2 is postponed again and cannot be held on the re-staging date, the meeting classification shall be decided according to the ranking-list (Art.8.1). Highest Team ranking, placed 1st; Second highest Team ranking, placed 2nd and so on.

1.4.1 Re-staging or Abandonment of a Meeting

If a SoN meeting is interrupted or suspended for any reason whatsoever, the following rules will apply:

If the meeting is interrupted before Heat 14 is accomplished, and the remaining heats cannot be completed the same day, then the results are not taken into consideration and the whole meeting must be re-staged in accordance with Art.8.1

If the meeting is interrupted after heat 14 and before Heat No. 21 and cannot continue the same day the result at the conclusion of heat 14 will be deemed valid to determine the final results of the meeting.

If Race Off 1 or 2 is interrupted after heat 21 and cannot continue the same day, the result at the conclusion of heat 21 will be deemed valid to determine the final results of the meeting.

If the meeting is interrupted after heat 22 and cannot continue the same day, the result at the conclusion of heat 21 will be deemed valid to determine the final results of the meeting. Heat 22 will only be considered to determine 4th and 5th place in the final results of the meeting regardless of points scored in the 21 heats.

If the Final 2 meeting is interrupted after heat 21 and cannot continue the same day, the result at the conclusion of heat 21 added to final 1 scores, will be deemed valid to determine the final results of the meeting.

If the meeting is interrupted after heat 22 and cannot continue the same day, the result at the conclusion of heat 21 added to the Final 1 scores, will be deemed valid to determine the final results of the meeting. Heat 22 will only be considered to determine 2nd and 3rd place in the final results of the meeting regardless of points scored in the 21 heats.

8.4 Unsatisfactory Start

Starts will be carried out in accordance with Regulation 70.10.5

Where, in the opinion of the Referee, a start has been incorrect then he will immediately stop the race and order a restart.

The Referee will give a warning to any rider deemed to have been the cause of or contributed to the unsatisfactory start. This will be communicated verbally by the Race Director before the race is restarted.

In circumstances where the referee is of the opinion that an offence has been committed but the offending rider has gained no advantage and is deemed not to have interfered with any other rider in the same heat, the Referee may allow the heat to continue and issue the warning after the heat is completed. In these circumstances the offending rider must be informed before leaving the pits for his/her next heat.

Any starting offence committed after a warning has been given in the same meeting under this Regulation will result in the disqualification of the rider from that race.
