

## **PUBLIC DISCLOSURE**

### **Pursuant Art. 14.3.2 of the FIM Anti-Doping Rules**

1. Kleber Justino (the rider) underwent a doping control on 17 September 2023 during the 2023 FIM SuperMoto World Championship, where urine samples were collected. The analysis of the sample A revealed the presence of Anastrozole (S4. Hormone and Metabolic Modulator), a substance banned by the WADA 2023 List of Prohibited Substances and Methods.
2. Upon receipt of the Adverse Analytical Finding (AAF), the FIM notified the rider and the latter submitted his explanations jointly with his evidence.
3. In view of the rider's admission and acceptance of the consequences proposed by the FIM, it has been decided that the rider:
  - i. is found to have committed an anti-doping rule violation pursuant article 2.1 and/or 2.2 of the FIM Anti-Doping rules, applicable to the 2023 FIM SuperMoto World Championship.
  - ii. is sanctioned with a period of ineligibility twenty-four (24) months, starting on 12 November 2023 (i.e. the date when the provisional voluntary suspension started) as a consequence of the ADRV committed pursuant art. 2.1 and/or 2.2 of the FIM Anti-Doping Rules.
  - iii. All competitive results obtained by the rider from and including 12 November 2023 are disqualified, with all resulting consequences (including for forfeiture of medals, points and prizes).
