2022 Monster Energy FIM Motocross of Nations

Entry list - Redbud (USA), 25 September

The FIM and Infront Moto Racing are delighted to share the 2022 Monster Energy FIM Motocross of Nations entry list of the teams that will go head-to-head on September 24th and 25th for the Chamberlain Trophy!

This year the iconic event will return to America's legendary track of RedBud in Michigan, the host of the 2018 edition of the Monster Energy FIM MXoN that saw Team France win their fifth title on the bounce.

Among the 34 different teams, some of the favourites to win this year include the likes of Team USA with their riders Eli Tomac, Justin Cooper and Chase Sexton who will look at breaking their 11-year dry spell and get back on top while Team Italy's Antonio Cairoli, Andrea Adamo and Mattia Guadagnini will be hoping to make it two wins on the bounce!

Team France are also looking strong this year with Maxime Renaux, Marvin Musquin and Dylan Ferrandis, as well as Team Netherlands' Glenn Coldenhoff, Kay de Wolf and Calvin Vlaanderen and Team Australia's Mitch Evans, Hunter Lawrence and Jett Lawrence who will also be fighting for top positions.

This year there will also be two new teams entering the Monster Energy FIM MXoN, this includes FIM Latin America with Marco Atezana, Yarod Vargas and Franklin Noguera as well as FIM Europe with Bence Pergel, Julius Mikula and Pavlo Kizlyak.

Take a look at the full provisional entry list page 2.

About the FIM (www.fim-moto.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 116 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 70 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Rallies, Speedway and E-Bikes. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
