2023 Team Licences

Dear Sir or Madam,

Please find enclosed the various order forms for the 2023 Team licences.

The National Federations (FMNs) may offer, for an extra fee, additional national services to their team's licence holders. However, the FMNs shall also offer these teams the possibility of buying only the FIM licence, without the additional national services, according to the prices and conditions established by the FIM. Licences ordered by FMNs will be invoiced at the end of each month to the Federations. Licences ordered by individuals will only be produced after receipt of payment of the licences.

We thank you for completing the appropriate form and returning it to your National Federation or directly to the FIM Administration to the address mentioned at the bottom of each form.

We remain at your disposal for any additional information that you may require.

With best regards,

Damiano ZAMANA
FIM DEPUTY CEO and
FIM OPERATIONS DIRECTOR

Jean-Paul GOMBEAUD
FIM SPORTS DIRECTOR
