Any person or group of persons - rider, passenger, entrant, manufacturer, official, etc., recognised by the FIM and concerned by a decision taken under the authority of the FIM, has the right to protest against that decision before the International Jury, except in the case of statement of fact.

Protests against the eligibility of a rider, passenger, team or a motorcycle entered, must be made before the start of the official practice. Protests against results must be presented to the international jury within 30 minutes following the last race.

All protests to the international jury must be made in accordance with the requirement of the disciplinary and arbitration code of the FIM and be accompanied by a fee of 660€ or equivalent amount in local currency exchange rate of the day of the protest (ref. <https://www.1.oanda.com/currency/converter>) returnable if the protest is justified or forfeited if the disciplinary body considers the protest to be groundless, or if it is withdrawn without a hearing.
