2026 FIM SidecarCross & QuadCross World Championship FIM Entry Procedure - General information

Dear Sir or Madam,

Please find enclosed relevant information concerning the 2026 FIM SidecarCross & QuadCross World Championship entry procedure.

We thank you in advance for sending this information to:

- Your riders/passengers wishing to participate in the 2026 FIM SidecarCross & QuadCross World Championship;
- The Organisers of a 2026 FIM SidecarCross World Championship or 2026 FIM SidecarCross & QuadCross World Championship meeting in your country.

We wish you much success for the 2026 season.

Yours sincerely,

Sabin-Valeriu Olariu
CMS COORDINATOR

General information

REGISTRATION

The registration of entries is done online on the WSC Entry Systems.

New users need to register online at:

FIM SidecarCross World Championship: <https://www.entry.fimsidecarcross.com/registration>.

FIM QuadCross World Championship: <https://www.entry.fimquadcross.com/registration>.

After completing the registration, you will receive an e-mail with a confirmation.

Users who already registered in the past (FIM QuadCross World Championship: EMXQuad website in 2025 and before) can start the entry process directly at:

FIM SidecarCross World Championship: <https://www.entry.fimsidecarcross.com/>.

FIM QuadCross World Championship: <https://www.entry.fimquadcross.com/>.

In case a user doesn't remember his password, he can request a new password at:

FIM SidecarCross World Championship: <https://www.entry.fimsidecarcross.com/?forgot=password>.

FIM QuadCross World Championship: <https://www.entry.fimquadcross.com/?forgot=password>.

A complete detailed help-file is available at:

FIM SidecarCross World Championship: <https://www.entry.fimsidecarcross.com/how-to>.

FIM QuadCross World Championship: <https://www.entry.fimquadcross.com/how-to>.

IMPORTANT: All users need to register their personal email address as it is used for the login. Users can select their Role:

- Rider (and if you have a confirmed career number, fill it or select one from the system in here)
- Passenger / ONLY FOR FIM SidecarCross World Championship
- Other (for FIM, FMN, Promotor or others)
(this role will be added manually by the WSC Sport Office team after verification)

We kindly ask all **FMNs to do their registration as soon as possible**, only with a completed registration and verification will you receive notifications from your riders/passengers' registration.

Rider's Registration for an event:

- Log-in to the page <https://www.entry.fimsidecarcross.com/> OR <https://www.entry.fimquadcross.com/>.
- Select the event(s) you want to participate
- Fill in the details (if your passenger is not in the list, send him an invitation)
- Complete the form and CREATE your registration.

As soon as the entry request is submitted, an automated mail will be sent to the rider's FMN:

Step 1: The FMN concerned must confirm that its rider has the necessary competition experience and the correct details and fill the licence number if already known/ordered. At the end of the registration page, the FMN can Confirm/Decline a registration. This confirmation is required to continue the on-line registration process.

Step 2: If for any reason an FMN wishes to excuse or refuse the start of a rider or passenger, the FMN in question can do this online any time on the same form. It would be helpful to enter the reason into the form or send it by email to WSC Sport Office (sportoffice@fimsidecarcross.com).

Step 3: As soon as the FMN confirms the entry, the FMN and the rider/passenger or rider will receive an automated email confirming the entry to the event selected. Please make sure that your rider has a valid FIM Licence and brings it along at the event (paper or digital).

In case of any problems or questions, please contact WSC Sport Office by email at: sportoffice@fimsidecarcross.com.

AGE FOR RIDERS AND PASSENGERS

The minimum age is 16 years old (must be reached at the moment of the first technical verifications of the event in question) and the maximum age is 50 years old.

Please respect this when receiving request for participation in and issuing licenses for the FIM SidecarCross World Championship or FIM QuadCross World Championship. Nevertheless, for FIM SidecarCross World Championship, riders and passengers who have reached or are above the maximum age but have finished in the top 10 of the previous year's final FIM SidecarCross World Championship standings will be given the opportunity to participate again the following year. Special consideration will be given by the FIM Motocross Commission to a rider who has been confirmed with a season long injury or other special circumstance which has prevented him from competing that season.

As a rule, every rider/passenger wishing to participate in the 2026 FIM SidecarCross World Championship and every rider wishing to participate in the 2026 FIM QuadCross World Championship must enter through electronic WSC Entry Systems.

The rider and passenger or rider must complete the entry procedure for each 2026 FIM SidecarCross World Championship or FIM QuadCross World Championship meeting they wish to enter.

Entry requests/provisional entries can be made by the electronic WSC Entry System, but they must be confirmed by the FMN within the electronic WSC Entry System.

We remind you that the rider must always have a copy of his licence (paper or electronic) as it may be asked during any time of the event. During the 1st event at the technical and administrative control, the WSC Sport Office can ask to verify the riders' identity and credentials.

The rider/passenger either receives the entry form on paper at the Welcome Office of the event and must return the form duly completed and signed at the Administrative Control or they can proceed to the Administrative Control for receiving and signing the entry form digitally. In exchange they will receive the technical form. Afterwards, the technical form must be handed in at Technical Verification.

If requested, the WSC Sport Office can ask to verify the rider's details and credentials during the administrative control.

For the first meeting of the 2026 FIM SidecarCross World Championship and 2026 FIM QuadCross World Championship, the closing date for entries is 30 days before the meeting in question.

For each meeting of the 2026 FIM SidecarCross World Championship, the closing date for entries is 15 days before the meeting in question.

WSC Sport Office can enter additional sidecar teams or quads before Thursday noon prior to the meeting.

WSC Sport Office must then inform the rider's/passenger's FMN, the FMNR and/or the organiser in writing, by e-mail before the end of the technical verifications prior to the meeting.

For these sidecar teams or quads entered by WSC Sport Office, all listed entry conditions (apart from the closing date of entries) apply.

STARTING/CAREER NUMBERS

Riders have the possibility to choose a "career number" when completing the online entry form. However, please note that number one (1) will always be reserved for the current FIM World Champion, together with other reserved numbers at the discretion of the CMS.

This means that riders can select a "career number" if it is available and use it as a marketing/branding tool. If a rider has not participated in any events for more than two full seasons, the number will become available again before the start of the next season.

Once a number has been granted to a rider by the FIM Championship Promotor, it cannot be changed during the same year of competition.

In case of any questions, please contact WSC Sport Office: sportoffice@fimsidecargross.com

ENTRY FEES

FIM SidecarCross World Championship: The entry fee is 200 € per crew and event and if the rider does not qualify for Sunday, he will be reimbursed 100 €.

FIM QuadCross World Championship: The entry fee is 150 € per rider and event and if the rider does not qualify for Sunday, he will be reimbursed 75 €.

In case of any questions, please contact WSC Sport Office: sportoffice@fimsidecargross.com
