

CONDITIONS

The goal is to have a series of national championships across the globe that follow the same rules and conditions so as to have standardized MiniGP competitions all over the world. In this way riders from different countries will have the same formation and experience.

All FMNs around the World are welcome to participate in this series, but they will have to meet a series of conditions to be included in the FIM MiniGP World Series and obtain the Road to MotoGP™ insignia.

- Motorcycle: Ohvale GP-0 160
- Ages of participants: 10-14
- Circuits: races will have to be races in karting circuits that meet minimum standards marked by FIM/FMNs who will also set a minimum length.
- The FMN's will be in charge of homologating the tracks.
- Riders Equipment: riders will have to be equipped with the appropriate racing equipment matching the FIM standards for these ages.
- Events: a minimum of 4 events and a total minimum of 8 races must be included in the championship calendar.
- N° of participants: a minimum of 15 riders are necessary to consider the cup valid.
- Sporting & Technical Regulations: a worldwide standard regulation will be created with minimum requirements that all the cups will have to comply with.
- Pirelli will be the official single tyre supplier for all the FIM MiniGP World Series with a standard allocation per event.
- All cups that want to adhere to the FIM MiniGP World Series in 2021 must have their first event latest by July 2021. Also, their last event should be held no later than the 17th of October 2021.
