Format:

- A Series of nine Events around the world. Each with a scoring coefficient of 1(*).
- The Final of the Series with a scoring coefficient of 2 (**).
- The Final is open to all competitors, but in order to have a chance of being ranked in the FIM Bajas World Cup classification, competitors must have finished at least one of the nine previous Events of the Series and scored points in it. Those competitors will be eligible for the FIM Bajas World Cup Title.

Final Standings of the FIM Bajas World Cup

- The final classification of the Bajas World Cup will be established on the basis of the two best results in the FIM Bajas World Cup Series in addition with the points awarded in the Final.
- This is valid in all three categories (Motorbikes, Quads and SSV) and in all three classes (Women's, Junior and Veteran).

Safety:

- For the entire course, the wearing of a waistcoat or airbag jacket is compulsory. The airbag system must comply with FIM standards.

About the FIM (www.fim-live.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 115 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
