FIM Long Track World Championship

2021 Calendar UPDATE 23 July

German final in Herxheim cancelled

With the situation relating to the Coronavirus disease (COVID-19) pandemic remaining in a state of constant change, the FIM, the German Motorcycling Federation (DMSB) and the local organiser regret to announce that the 2021 FIM Long Track World Championship final originally set to take place on 13 May in Herxheim, Germany and already postponed to 19 September is finally cancelled.

This cancellation is a consequence of the delays to the work in progress at the stadium, which had to be stopped because of the pandemic.

The FIM expresses its thanks to all stakeholders involved for their continued efforts in these complicated times.
