

# FIM Family Trophy

## GENERAL INFORMATION

### TYPES OF PROJECTS CONSIDERED FOR THE FIM FAMILY TROPHY

Projects can exclusively be submitted by National Motorcycling Federations (FMNs) and subsidised by the FIM CMRF Committee. While projects may cover both sporting and non-sporting areas, they must be of particular relevance for the development of motorcycling activities.

The Fédération Internationale de Motocyclisme (FIM) wishes to recognise those who are significant players in the following areas:

- Innovative projects in the motorcycling world at large
- Promotion, training and competitive activities for young people
- Improving safety in motorcycling
- Improving sustainability in motorcycling
- Improving diversity and inclusion in motorcycling
- Extending visibility and diffusing motorcycling activities in the world (ex: TV programmes, social media, exhibitions, etc.)
- Developing/using new technologies (medical, technical, etc.).
- Use of electric motorcycles and bicycles
- Promotion of good behaviour and fair play in motorcycling
- Etc.

### WHO CAN BE ELIGIBLE TO RECEIVE THE FIM FAMILY TROPHY?

FIM Affiliated Federations (FMNs) only.

Please refer to the FIM Statutes and By-Laws (Art. XVIII para. 8)

### ELIGIBLE PROJECT REVIEW PROCESS

Eligible projects will be examined by the CMRF Committee who will present a small selection of projects of great interest to the FIM Awards and Recognition Committee to attribute the FIM Family Trophy.

Any conflict of interest will be declared at the beginning of the process.

### RECEIVING THE TROPHY

The winning project/Federation will be invited to the annual FIM Awards Prize Giving Ceremony and will receive the Trophy on stage. The winner will have the privilege to use the “FIM Family Trophy” logo on all its related communications (print, web, social media, etc.).
